It has been a pleasure as a leader for the past 3 years to work with Sally, she has prepared and delivered many high standard interesting and interactive educational sessions for our members which has generated very positive evaluations and requests for more sessions from her. Sally has taken on the role of Master of Ceremonies at some of our conference events and was a very entertaining and connective MC making both speakers and audience feel special. Margrit Fisher

R/N at POWH

Sally prepared and hosted an event with four speakers and she led the 1/2 day session. She was extremely well prepared, was able to warm up the audience for the speakers. She did some research about the speakers and was able to introduce each of them so the audience recognised them for their individual achievements. The atmosphere was warm and encouraging. I very much enjoyed the afternoon and learnt a lot.

Sally was the MC and presented at a skills forum where I was also presenting. Sally engagement with the participants was a delight to watch and equally to experience. The content of her session was high quality and demanded attention. Her humour and warmth made her presentation very memorable.

I had the pleasure of working with Sally at a weekend seminar, where she Emceed. I enjoyed her ability to engage humorously with the audience, transition smoothly between speakers and support them pre and post seminar, as well as on the day. Sally's style is fun, engaging and energetic and she certainly knows how to warm up a crowd before a speaker hits the stage. Thank you Sally for making my day a great day.

Sally was a vital, positive and engaging Chairperson and expert speaker at the EA/PA Skills Forum which I produced. Sally was a popular speaker and a vital element of the forum. Her energy and enthusiasm for her subject is infectious, her delivery I would describe as electric as she buzzes across the stage. One delegate described her in the feedback as simply "Brilliant." I highly recommend Sally as a coach and speaker.
